For instruction in Private Aircraft, ensure you have read through our "[Private Aircraft Handbook](#)" document for a comprehensive outline of our policies.

Aircraft Rental – Wet Rate includes fuel from the Owen Sound Airport. For “Off Base Fueling Operations” see Fueling Procedures in the Student and Renter Handbook.

\* **After Hours – Solo Supervision** applies only outside of regular business hours. See the Student Renter Handbook for more details.

\* **Flight Simulator – Enhanced Briefing** is Dual Training for ground instruction utilizing the sim to advance the skills of students. The sim is an excellent tool to assist pilots with air exercises including sideslips and landings and procedural items. This time cannot be logged, however it can save you money by minimizing time in aircraft.

\***Instructor – Advanced Instruction** includes flight and ground training towards an Instrument Rating, Multi Engine Rating or VFR OTT Rating.
