**For instruction in Private Aircraft, ensure you have read through our “Training in Private Aircraft” document for a comprehensive outline of our policies.**

Aircraft Rental – Wet Rate includes fuel from the Owen Sound Airport

For “Off Base Fueling Operations” see Fueling Procedures in the Student and Renter Handbook for more details.

The Simulator is offered free of charge for solo practice, to students who are currently enrolled in a flight training program, for the benefit of their education.

Unfortunately due to the high service charges imposed on us by credit card companies, we were left with three choices regarding the use of credit cards by our students and renters:

A: don't accept credit cards,

B: accept them but put all of our rates up to counteract the cost, or

C: charge the same fee we are charged only to those who wish to use them.

We chose option C. We apologize for any inconvenience.
